Classic Jenga®

CONTENTS

54 Jenga® hardwood blocks, stacking sleeve

HOW TO PLAY

1. Set up the tower. Place three blocks per layer, alternating direction by layer. Use the stacking sleeve if necessary.
2. With only one hand, remove a block from anywhere below the highest completed layer. You can touch the blocks to find a loose one.
3. Place the block on top of the tower. Wait for about ten seconds.
 - If the tower falls, you're out.
 - If the tower stands, the next player is up.

(If you are playing solo, try to beat your own highest tower.)

HOW TO WIN

Be the last player to stack a block without causing the tower to crash!
