

The months of November and December bring with them extra financial burdens for all families. Through the Angel Tree project, we will provide a Christmas gift for the children in your family. We will take your requests and write them on Angel ornaments and hang them on Christmas Trees in the Woodville Library and in Elmore at Harris Elmore Library. A person wishing to donate an item will take the Angel from the tree, purchase the item and return it to us. We will then distribute the items in December.

If you find yourself in need, fill out the attached form and either mail it to us or return it to the school with your child. Please know that your individual circumstances are considered private and your privacy will be respected.

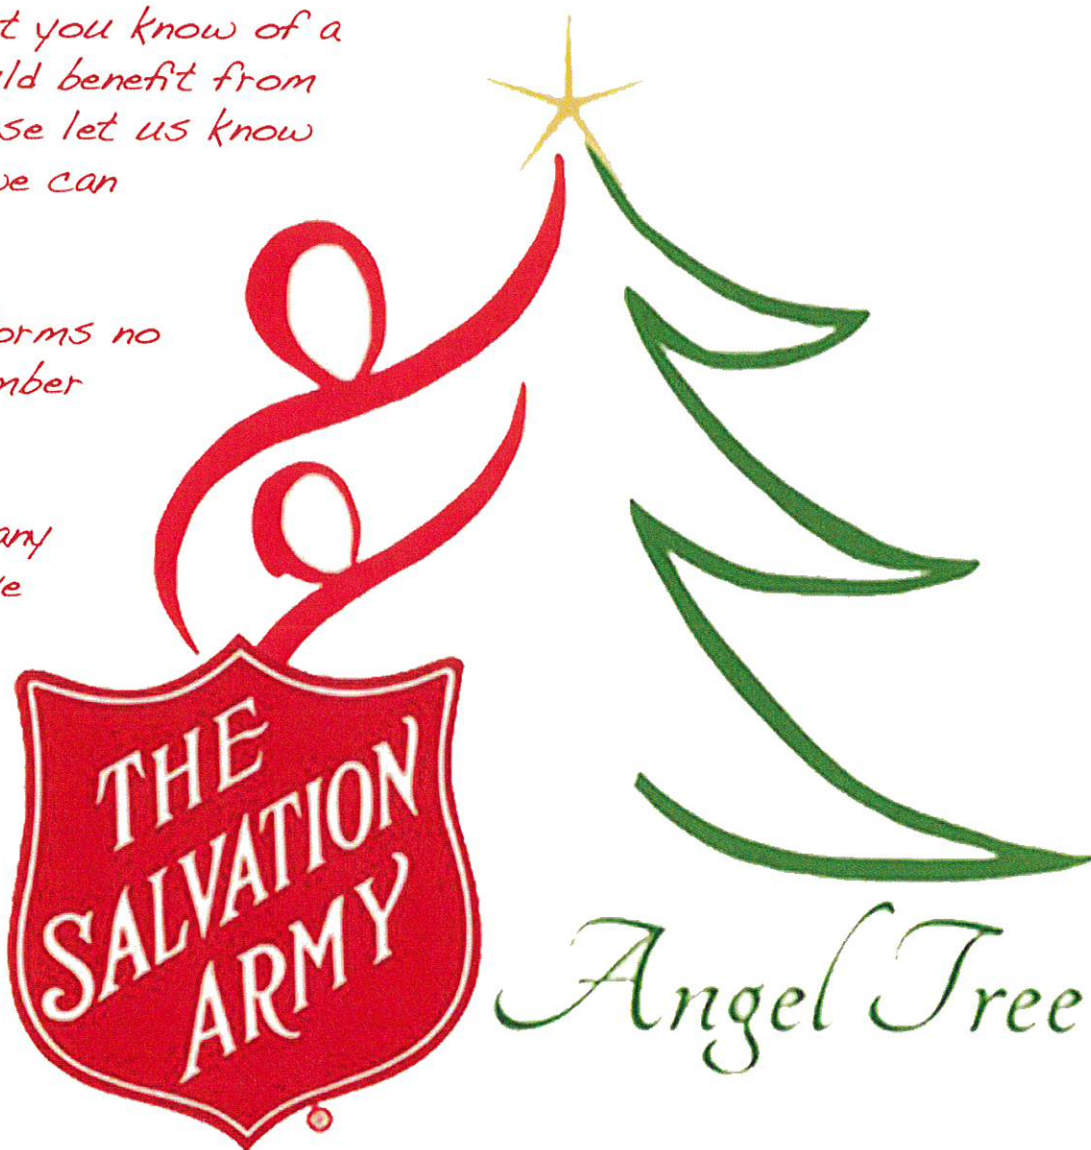

If you are not in need at the present time but you know of a family who could benefit from assistance, please let us know their name so we can contact them.

Please return forms no later than November 15, 2024.

Thank you for any help you can give with this project.

We wish you a Happy Holiday Season.
